

OMNIMED Overbed Clipboards

Improve business efficiency • Improve employee workplace safety • Improve patient care & management

Clipboards - Aluminum Overbed Beige - #204602

Powder coated over bed clipboards are made of durable aluminum with an attractive beige finish that is easy to clean and will withstand years of constant use. These lightweight holders secure information and forms with a strong low profile spring clip. Hung on bed-rails with a 1 ¾ inch over bed handle, they are a convenient tool to keep patient information organized and easily accessible. Each clipboard can accommodate up to 50 plus sheets and measures 13 ⅞ inches high by 9 inches wide.
