

Improve business efficiency • Improve employee workplace safety • Improve patient care & management

2½" Med Book - #205025

Medication binders are made of a hospital grade molded tri-polymer material that is strong, flexible and easy to clean. Equipped with our patented twin-hinge system and heavy duty 3 ring assembly, these binders are warranted to last and can withstand the hardest use without ripping or ring failure. Each binder holds up to 450 sheets. These products include a 3 year warranty.
