

Metal Glove Box Holder - Triple - #305302

Our Steel glove box holders are built for heavy duty use. Constructed of durable stainless steel, they are easy to care and will withstand years of use and still look new. They are ideal for use in medical, lab and food prep functions or any area where cross contamination is an issue. Protective gloves are not included. These holders are simple to load and can be mounted vertically or horizontally on a variety of surfaces. Each unit accommodates up to three different glove sizes to meet staff needs. All single glove boxes fit this model. These units include a 5 year warranty.
