

Adjustable Glove Box Holder - #305320

Omnimed adjustable glove box holders are constructed of durable aluminum and easily accommodate any glove box size. They are ideal for use in medical, lab and food prep functions or any area where cross contamination is an issue or protective gloves are needed. These glove box holders accommodate one glove box, are simple to load and can be mounted vertically or horizontally on a variety of surfaces. The glove box holder secures the box and will take up no more space than the box itself. This unit includes a 5 year warranty.
