

## **Clear PETG Glove Box Holder - Double - #305361**

Omnimed plastic glove box holders are made of ECO friendly PETG plastic that is both durable and easy to clean. These holders will withstand years of use and still look new. They are ideal for use in medical, lab and food prep functions or any area where cross contamination is an issue or protective gloves are needed. Each unit accommodates up to two different glove sizes to meet staff needs. These holders are simple to load and can be mounted vertically or horizontally on a variety of surfaces. All single glove boxes fit this model. These units include a limited 1 year warranty.
